

MANEUVERABILITY

SHALLOW WATER

WEEDS & DEBRIS

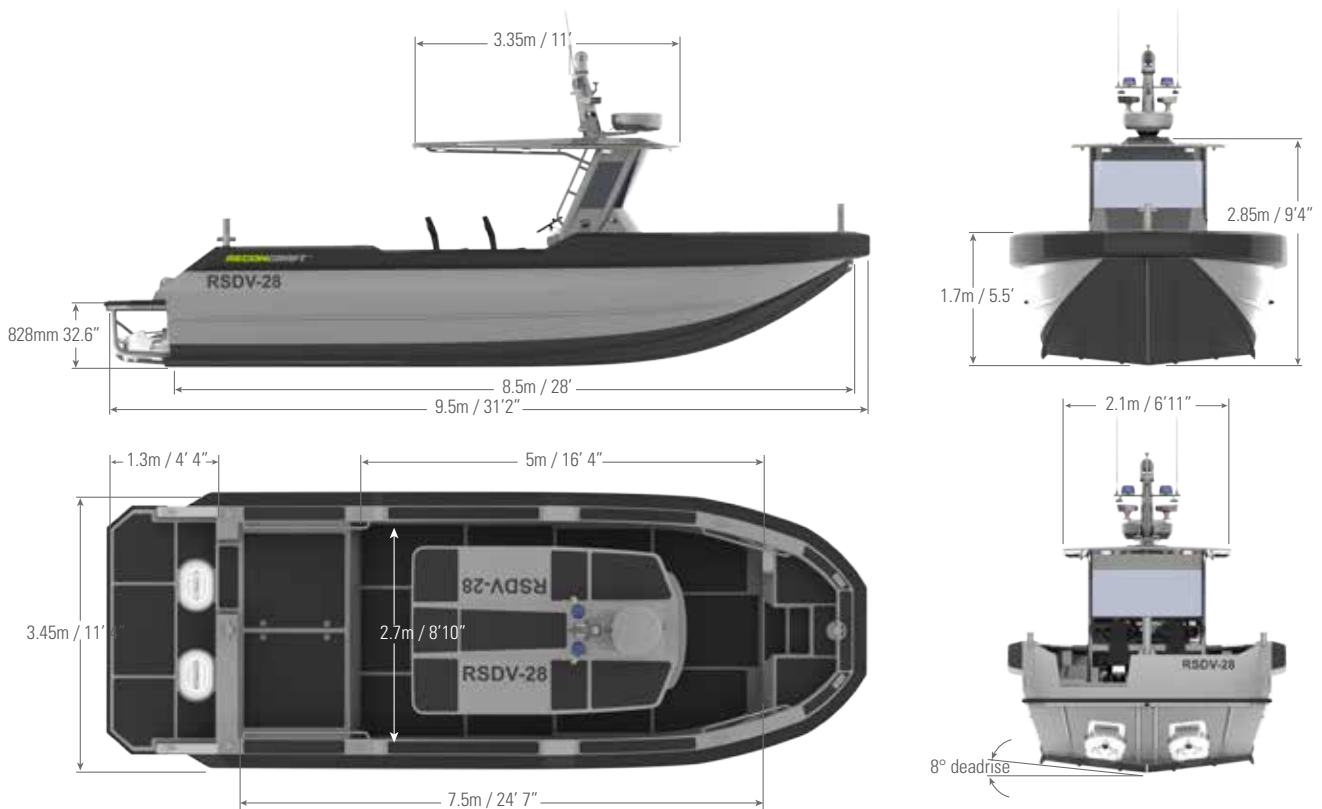

PAYLOAD

RECONCRAFT™

The Riverine Shallow Draft Vessel (RSDV-28) The RSDV-28 is ideal for marine units that need a large multi-mission craft that can operate in shallow rivers and coastal areas. With a massive payload for crew and equipment along with a patrol range over 300 NM, the RSDV-28 is well suited for extended operations in debris ridden waterways where little infrastructure or support is available. Powered by twin 370 HP diesels and propelled by Hamilton HJ 274 Water Jets, the RSDV can reach speeds over 45 MPH in as little as 8" of water. Alternative diesel or gasoline propulsion systems are available.

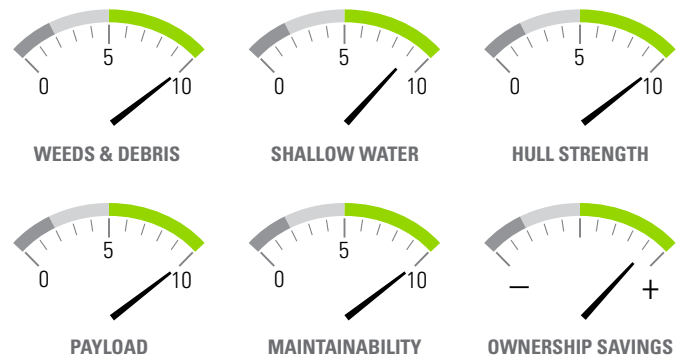

RSDV-28CC General Dimensions

All specifications and measurements are approximate and subject to change without notice. Performance data is not guaranteed and can vary depending upon cargo/fuel load, owner's equipment, temperature, sea-state, and other variables.

ReconCraft™ are built to USCG/ABYC Standards.

RSDV-28CC Advantages

Components & Specifications

Specifications

Length	28'-0"	8.5m
Length (w/ Ops Deck)	31'-2"	9.5m
Beam	11'-4"	3.45m
Draft (plane)	8"	20cm
Draft (static)	15"	38cm
Dead Rise	8°	8°
Displacement	6,950 lbs	3,152 kg
Fuel Capacity	120+ gallons	454+ litres

Propulsion

Engine	Twin Yanmar 6LYA-STP 370 HP Turbo Diesels	
Optional Marine Gear	ZF, Borg Warner, or Twin Disc	
Jet	Twin Hamilton HJ 274 Water Jets	

Alternative propulsion configurations available based on specific needs.

Performance

Max Speed	45+ MPH	72+ KPH
Cruise Speed	25-35 MPH	40-56 KPH
Range	300+ NM	556+ KM

Qualities

- **Efficient, powerful, and durable propulsion systems** capable of operating in vegetation, debris, and shallow water result in outstanding patrol coverage.
- **Ergonomic designs, created with input from actual operators**, significantly reduce crew fatigue and maintain crew safety.
- **Simplistic and redundant mechanical and electrical systems**, with reserve capacity to support upgrades, yield unparalleled detection, monitoring, and interdiction capabilities.
- **Rugged hull structure, commonality of parts, and full access to the hull** via removable deck plates significantly decrease maintenance time and ownership costs.
- **Multi-mission configurations** result in tremendous tactical capability.

Center Console Plan

The center console arrangement is ergonomically designed to minimize crew fatigue during long patrols while giving the pilot and co-pilot easy access to all controls. Optional shock mitigating seats ensure crew comfort and safety. The spacious deck plan provides ample room for additional crew seating, payload, crew-served weapons, and/or fire/rescue apparatus. The large rear operations deck is accessible via the walkway on the port side and can be used as a platform for small inflatable boats, diving operations, or other mission specific equipment. Easy access to the engine compartment and critical systems facilitates efficient service and maintenance.

Features & Options

Console

- Forward Angled Windows to Reduce Glare*
- Shock Mitigating Seats w/ Ballistic Nylon
- LED Red/White Lighting
- Mini Hard Top
- Extended Hard Top

Hull Protection & Fendering

- 5086 Alloy Hull* - Up to 0.250" Bottom Plating
- Proprietary CrashCoat™ Hull Protection System
- UHMW Slider Keel Pad (22")
- Black or Non-Marking Rub Rail
- High Density Foam Collar / Sponson

Mechanical/Electrical Systems

- RACOR Fuel Filtration System
- Raw Water Cooling System*
- 12V DC Distribution System*
- Multiple DC Battery Banks*

Deck

- Large Swim/Operations Deck*
- Tactically Designed Walk Around Configuration*
- Full Deck Lighting Package (Flood & Spreader)
- Flush Mount Flat Top Cleat Package
- 4-Point Lifting Eyes
- Tow Bollard and Reel
- Anchor Locker
- Marine Grade Paint Coating System
- 3M Safety Walk™ Deck Tread
- Battery Charger & Monitor
- Engine Compartment Sound Insulation
- Tie Points - 8x Floor Mounted
- 12V Accessory Plugs
- Long Gun Storage System

Weed & Debris (Flood Zone) Operations

- Patent Pending Weed-Debris Grate w/Helm Lever or Actuator

Safety

- Foam Collar Flotation
- (2) Bilge Pumps (Auto and Manual)*
- Open Walk-Thru to Aft Operations/Dive Deck*
- Anti-Fatigue Deck Matting

Additional Options

- Whelen LE Lighting/Loudhailer Package
- Side Scan Sonar
- Fire-Fighting System w/ Remote Operated Nozzle
- Forward Looking Infrared (FLIR) Camera
- AIS System
- Weapon Mount Foundations (ITAR Dependent)
- Ballistic Protection (ITAR Dependent)
- Side Dive Doors
- AC Electrical Inverter
- Heated Windshield Glass
- Rescue Basket Mounts (Quick-Release)
- Many other mission specific items. Call for details.

RSDV-28CC Exterior & Interior Detail Views

RC18CC

THE RIVERINE SHALLOW DRAFT VESSEL (RSDV-18)

Length	18'-0"	5.5m
Length (w/Ops Deck)	19'-6"	5.9m
Beam	8'-0"	2.54m
Draft (plane)	4"	10cm
Draft (static)	10"	25cm
Dead Rise	5°	5°
Displacement	1,600 lbs	726 kg
Fuel Capacity	30+ gallons	113+ litres

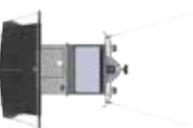

RC21CC

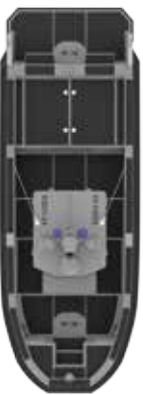

THE RIVERINE SHALLOW DRAFT VESSEL (RSDV-21)

Length	21'-0"	6.4m
Length (w/Ops Deck)	23'-4"	7.1m
Beam	8'-4"	2.4m
Draft (plane)	4"	10cm
Draft (static)	11"	28cm
Dead Rise	5°	5°
Displacement	3,900 lbs	1,769 kg
Fuel Capacity	55+ gallons	265+ litres

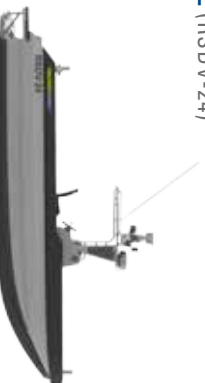

RC24CC

THE RIVERINE SHALLOW DRAFT VESSEL (RSDV-24)

Length	24'-0"	7.3m
Length (w/Ops Deck)	26'-8"	8.1m
Beam	9'-8"	2.9m
Draft (plane)	6"	15cm
Draft (static)	12"	30cm
Dead Rise	6°	6°
Displacement	4,900 lbs	2,223 kg
Fuel Capacity	100+ gallons	379+ litres

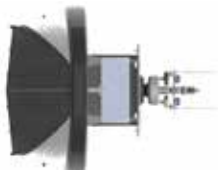

RC28CC

THE RIVERINE SHALLOW DRAFT VESSEL (RSDV-28)

Length	28'-0"	8.5m
Length (w/Ops Deck)	31'-2"	9.5m
Beam	11'-4"	3.45m
Draft (plane)	8"	20cm
Draft (static)	15"	38cm
Dead Rise	8°	8°
Displacement	6,950 lbs	3,152 kg
Fuel Capacity	120+ gallons	454+ litres

RC28C CABIN

THE RIVERINE SHALLOW DRAFT VESSEL (RSDV-28)

Length	28'-0"	8.5m
Length (w/Ops Deck)	31'-2"	9.5m
Beam	11'-4"	3.45m
Draft (plane)	8"	18cm
Draft (static)	15"	38cm
Dead Rise	8°	8°
Displacement	7,600 lbs	3,152 kg
Fuel Capacity	120+ gallons	454+ litres
